

The 2018 Night with the Stars Luminary Award

This year's *A Night with the Stars* is an evening celebration honoring caregivers in the aging industry who go above and beyond in their daily service to seniors in the community. There are so many outstanding professionals who are on the front lines of caring for our seniors. Often they go about their work in quiet, unassuming ways behind the scenes providing vital support to seniors in the work that they do. ElderSource would like to shine a light on all these caregivers who are making an impact on the lives of the older adults for whom they care.

How would one define a "Luminary"? *One who is an inspiration to others; one who has achieved success in their chosen field, a leading light.*

You are invited to identify and nominate individuals who are "leading lights" working in a myriad of jobs in the aging industry, individuals who deserve to be recognized for their contributions. Please review all the categories included on this form and nominate someone who demonstrates:

Natural leadership, a leading light to their peers

Consistent and dedicated service to others

Passion about their job and what they do

A separate form should be filled out for each individual nominee

About the Award Process

All individuals nominated will be designated as HONOREES and will be recognized at the event during the Parade of Stars. A LUMINARY AWARD will be presented to one person in each of the job categories from each of the work environments. For example: A Luminary Award could potentially be presented to a case worker, maintenance and dietician who work for an Assisted Living Facility. This format allows for many individuals to be recognized for their work. You are

encouraged to nominate multiple and a variety of individuals from the various Work Environment Categories and those who work in various jobs.

The Event

The Nominators and HONOREES are invited and encouraged to attend the event on Monday, October 29 from 6 to 9 pm at The Alhambra Dinner Theatre on Beach Boulevard.
